An incredible opportunity to have your own exclusive-use cottage directly on the shores of sought-after Hay Lake on the eastern edge of Algonquin Park. Sit on your fully screened front porch with your morning coffee and a book looking out over the water to the hills of the Park itself, one of Canada's greatest natural treasures, and watch the leaves change. Enjoy the peace and quiet on an 18km lake that is primarily Crown Land. The only neighbours you'll hear are the loons. Set on the grounds of the small family-run resort Hay Lake Lodge (in operation for over fifty years), the Aspen cabin is available for monthly lease. This immaculate two bedroom one washroom knotty pine interior cottage is fully furnished with a fully equipped kitchen. All utilities, parking, and yard maintenance are included. Rent also includes access to common elements such as canoes, kayaks, beach, gazebo, fire pit, and the main lodge building where you can relax, access wifi, play a board game, and enjoy the view. There's great fishing in the lake and hiking trails a short walk away. You're fifteen minutes from the East Gate of Algonquin Park, 1.5 hours east of Huntsville, three hours west of Ottawa, and four hours north of Toronto. Available now for September and/or October. This cottage is also available for seasonal rental (May-October) for 2026. Rental discount available for multi-month rentals. If you're looking for your own quiet oasis on the water, but you're not looking to commit to the
