Step into timeless charm with this character-filled 1940s two-storey gem at 547 Fifth Street East! Just steps from shops, schools, and parks, this lovingly maintained home blends vintage personality with loads of space. The recently added, extra-wide sidewalks invite morning strolls, while the interlocking stone pathways - two of them! - gracefully lead you to the front foyer. Tucked away from the hustle and bustle, the private side cul-de-sac offers a peaceful approach to your driveway and attached one-car garage. Inside, you'll find space and warmth in equal measure: original hardwood floors, a generous dining area, large living room with a classic wood-burning fireplace, and a flexible main-floor bonus room that's ideal as a family room, den, or bright home office. Upstairs boasts four spacious bedrooms and a full 4-piece bath, while the partially finished basement opens the door to even more possibilities, with space for potentially two additional bedrooms, a workshop, utility area, and plenty of storage. The three-season sunroom leading to the private backyard offers even more space! Brimming with personality and potential, this home is ready to welcome its next chapter. (id:6289)
