Motivated seller- bring your offer. Set on 92 scenic acres, this country retreat is priced for immediate attention and ready for a buyer who wants space, privacy, and upside. The 4-bedroom plus den home features a cozy wood-burning stove and electric baseboard heat. The main bath serves the household, and the laundry room has been opened up and partially renovated to accommodate a future second bathroom. Several high-value upgrades are already underway, including a large solar power installation and a secondary dug well, giving the next owner a head start on efficient, independent living. Sold as-is, the property invites contractors, homesteaders, and investors to finish the work and capture the equity. Outdoors, an expansive barn anchors the homestead, with two utility sheds for added storage. A 10' x 32' greenhouse and generous vegetable garden support self-sufficient living, while a 16' x 32' above-ground pool offers summer relaxation. Rolling fields and mixed bush create a private playground for farming, trails, hunting, or simply quiet time in nature. With flexible closing available and room to tailor the final touches to your timeline, this is a rare opportunity to secure 92 acres with substantial projects already in motion.
