5 Bedroom, 3.00 Bathroom,
Single Family on 0.00 Acres

Wingham, North Huron (wingham), Ontario

One of Wingham's original estate homes, this impressive 5-bedroom, 3-bathroom century home sits on a private double lot surrounded by established gardens and mature trees a true in-town oasis. Built in 1890 on the site of a former quarry, the property offers a rare combination of character, space, and seclusion, all within walking distance of everything the community has to offer. The home has been carefully maintained and thoughtfully updated over the years, blending original charm with modern comfort. Inside, you'll find a custom kitchen, a bright sunroom, and spacious living areas with timeless details throughout. Upstairs offers plenty of room for family or guests, including a large primary suite. The detached carriage house adds even more versatility, with a workshop above the garage and a utility space that opens directly into the gardens ideal for storage, hobbies, or future creative use. A mature oak at the edge of the driveway is said to have royal roots, a small but meaningful nod to the homes deep connection to the areas history. Located just two blocks from downtown Wingham and minutes from the river, parks, and walking trails with the hospital and school less than five minutes away this is a rare opportunity to own a piece of history in a truly special setting.
