Single Family on 0.00 Acres

18 - Central City West, Kingston (central City West), Ontario

Welcome to 589 King Street W and enjoy an unobstructed view of Portsmouth Olympic Harbour from this charming two-story brick duplex, ideally located in one of Kingston's most desirable areas. The main floor offers flexibility with one or two bedrooms, along with a kitchen, living room, and dining area with separate laundry and parking. Upstairs, you'll find two additional bedrooms, beautifully refinished softwood floors, and an abundance of natural light throughout. Both bathrooms on each level have been recently renovated. While the property sits on a 120ft (+/-) deep lot, this unique property is believed to have once served as a hotel during Kingston's trolley car era, adding a touch of historic character. A rare opportunity with unbeatable views, perfect for sailors or those looking to live near the water! Updates include: Furnace and rear shingles are approximately 5 years old, both front bay windows are around 10 years old. (id:6289)
