Here on the shores of Baptist Harbour you will find this 4-season home built in 2020 with 1120 square feet of finished space on the main level and potential to complete an additional 398 square feet in the walkout lower level. The living room, dining room and kitchen with cathedral wood ceilings and beautiful vinyl flooring, are warm and inviting and feature open plan living, providing a place for friends and family to gather. A walkout to a covered deck allows for time spent outdoors in all types of weather plus there is an incredible 892 square feet of additional outdoor deck space that wraps around most of this home.
