Welcome to this Bridgenorth beauty. This lovely raised bungalow has been completely refurbished with quality features throughout. Originally, this 3+1 bedroom home has been changed to a 2+1 bedroom bungalow by including the 1 bedroom to the primary bedroom with lots of cupboards and space for a pampered atmosphere. The open concept living room/dining room area has a walk out to a tiered decking with a new gazebo for entertaining with outside fire pit backing onto a park. The kitchen has been completely updated with quartz countertops and new appliances for your modern conveniences. The lower level has a family room/rec room with natural gas stove and new carpeting. The third lower bedroom is also oversized for comfort. A 4 pc bathroom is on the lower level as well and separate laundry room with walk up to garage. The property also has an attractive garden shed for those treasures. To top off the enhancements the owners have replaced the front door and finishes for a fresh new entry.
