North End Home Backing Onto A Park! Pride of ownership shines in this immaculate all brick bungalow with an oversized single garage(it's just a hair smaller than a 1.5 car garage) sitting on a quiet street in an excellent North End neighbourhood and backing onto a big park that has childrens playground equipment, a basketball court, and a soccer field. This lovely home has an interlocking stone walkway leading to the front door and the welcoming entrance and features an open concept main floor with a bright kitchen that has tile backsplash, reverse osmosis water filtration, and lots of cupboards and counter space, an inviting living room with hardwood flooring and patio doors leading out to a private deck in the tranquil backyard where you'll enjoy relaxing with your morning coffee while watching the birds, a dining area for family meals, and a large master bedroom that enjoys a walk-in closet and ensuite privilege to the pristine 4pc. bathroom on the main level. Let's head downstairs where you'll find a cozy recreation room for entertaining with a corner electric fireplace(there is a gas line there as well so a gas fireplace could be installed there instead), a 3pc. bathroom, a workshop area, and plenty of room for storage. The landscaped backyard will be great for hosting summer barbecues and you can take the kids for a walk around the corner to play at the park. Close to parks, schools, shopping, trails, and quick access to Highway 403 and Highway 24. Recent updates include new insulation in the attic in
