Prime commercial business opportunity with versatile potential. Presenting an exceptional opportunity to acquire "African Experience," a turnkey business where a new owner can either hit the ground running with the established take-out and supermarket model or convert the space into their own concept, such as a full diner. Strategically situated at the high-traffic intersection of Dundas Street and Vansittart Avenue, this freestanding corner location is surrounded by A-list anchor tenants like Shoppers Drug Mart and Subway, guaranteeing outstanding daily visibility. The property benefits from ample on-site private parking and a highly attractive, low all-inclusive lease that ensures simple and predictable operating costs. The key asset is its immense versatility; the spacious layout offers significant value-add potential for various strategic paths, including installing a commercial kitchen to scale operations or transforming it into a full-service dine-in restaurant. The unit's functionality is further enhanced by two separate front entrances from the parking lot, offering the potential to physically separate the space for multiple uses. This is an ideal acquisition for an ambitious entrepreneur ready to launch their vision or a seasoned operator looking to expand. Acquire this turnkey business to continue the prominent "African Experience" venture or start fresh,

with clear potential to redevelop per your business needs. (id:6289)
